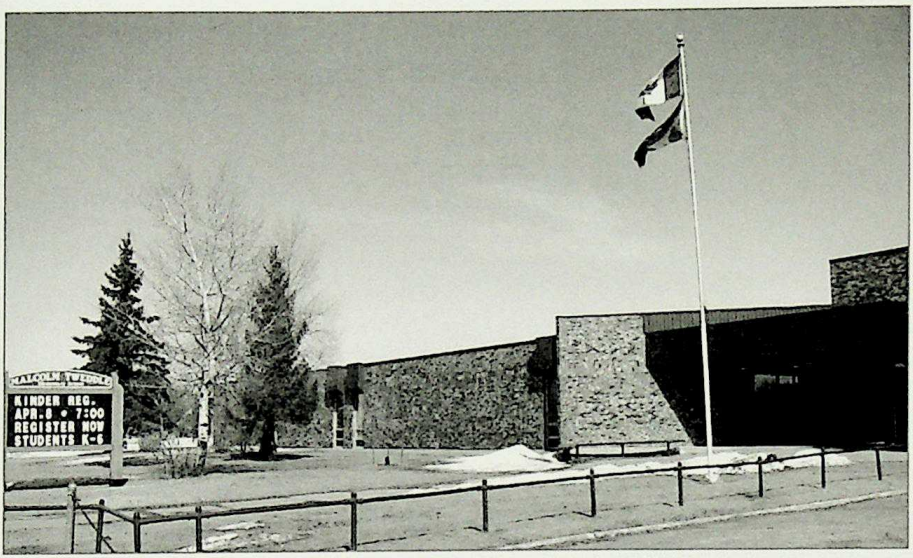
MALCOLM TWEDDLE
ELEMENTARY



EDMONTON, AB

2009/10

PRINCIPAL'S MESSAGE
2009/10

Looking back on this school year, I must compliment the students, parents and staff on the positive, cooperative manner in which everyone worked together. It's certainly a wonderful trait! We celebrate a year in which stduents not only learned a lot about academics, but also about themselves as leaders, friends and integral members of Malcolm Tweddle.

As you leaf through the pages, may you be reminded of the wonderful moments that you experienced with your friends. Many of these memories and friendships will last a lifetime. And, just as you won't forget your friends, your teachers and principal will not forget you. We will remember each and everyone for the special unique person that you were here at Malcolm Tweddle School. Some of you were serious students, who excelled in your studies. Others excelled in athletics and the arts. And still others will be remembered for their ability to make us laugh, to be compassionate or to show us what it means to be a true friend to all.

Saying good-bye is never easy; however, we wish the grade six students great success in the next step of their educational life. It is important for all to remember that learning never stops for anyone. Continuing to strive in being a life long learner will bring you enjoyment in your life and control the moments of boredom.

I need to take a moment to thank your parents for their support in your educational journey for true success only happens when everyone works together. We all appreciate everything that Parent Council has provided over the year. Finally, I would like to thank Mrs. Coates for the wonderful job she has done in putting this yearbook together. May you enjoy the pictures, lessons and memories they offer!

Best wishes,
Mr. Biggs
